

2021-2022 Sumner County Schools Professional Learning Guidelines

The Tennessee Department of Education requires all certified teachers in Tennessee schools to complete thirty hours (or five days in a 200-day contract) of professional learning (PL) each year. *Tennessee Code Annotated, Appendix C., Section 49-6-3004*, states a teacher's 200-day contract must include five (5) days of professional learning. This applies to any person who holds a full-time teaching position and is employed by the Sumner County Board of Education. Part-time teachers' PL requirements are adjusted accordingly. It is the responsibility of the educator to fulfill this five (5) day requirement based on a principal-approved plan of activities that best meets the needs of the educator and the overall goals of the school. Late-hires are responsible for the remaining PL days identified on the Sumner County Schools (SCS) calendar after their hire-date. Teachers hired as an interim for less than a full year are not required to complete professional learning activities.

SCS has determined for the 2021-2022 school year, the five required days, plus a *Stockpile PD Day*, are distributed as follows:

- **Board Required Day 1 July 28, 2021** – 6 hours districtwide for every educator at all schools
- **Board Required Day 2 July 29, 2021** – 6 hours districtwide for every educator at all schools
- **Board Required Day 3 November 1, 2021** – 3 hours districtwide for every educator at all schools
- **Principal-Discretion Day 4 (Required) date TBA** – 6 hours for every educator at all schools determined per school-based plan by each principal
- **Principal-Discretion Day 5 (Required) date TBA** – 6 hours for every educator at all schools determined per school-based plan by each principal. *Note: If PLCs are used, they will be credited for Day #5.*

Guidelines for Approvable PL Activities

PL credit shall not be allowed for participation in activities scheduled during calendared, instructional days nor any time for which participants are being paid other than PL reasons. No more than 3 PL credit hours may be earned on a calendared, instructional day and must be earned before or after the regular school day hours.

Teachers may earn PL credit from May 01, 2021 to April 15, 2022.

Please be advised:

- All PL must be submitted by **April 15, 2022.**
- **All online PL platforms and virtual conferences must be pre-approved by the Supervisor of Professional Growth.** A maximum of twelve (12) PL hours will be accepted per school year.
- A “calendared, instructional day” is a day scheduled as one of the 180 required instruction days identified on the 2021-2022 SCS calendar. An “administrative day” is one of the five (5) administrative days identified on the 2021-2022 SCS calendar. Days

designated as professional learning days receive a maximum of six PL hours. Calendared, instructional days and administrative days are limited to three (3) hours or less for PL. The 2021-2022 SCS calendar can be accessed on the SCS website or through the following link: <https://sumnerschools.org/index.php/calendar>

- **The *Stockpiled Professional Development Day on May 3*** is a stockpiled day approved by the TDOE to be used as one of the 180 calendared instructional days for professional development. **No PL hours can be earned toward the required 30 hours during the regular school day hours on this date.**
- Inclement weather days are paid, calendared days; therefore, PL hours accrued on inclement weather days are limited to three (3) hours or less before or after regular hours.
- PL credit cannot be earned for participating in any training for which the educator receives a stipend or additional compensation.
- The presentation or facilitation of training for Sumner County teachers garners time-for-time credit for the first time the session is presented. No time-for-time credit is given for facilitating a PLC.
- **PLCs:**
 - o Must consist of a minimum duration of ***one*** hour with a maximum of ***two*** hours. No time for less than one hour per given meeting will garner PLC credit. Time above two hours per given meeting will receive no more than two hours.
 - o Cannot be completed on a full PL day where teachers already receive six hours
 - o Because PLCs are designed to be a collaborative learning discussion, no presentation time-for-time hours can be earned for PLCs.
 - o Timeline for PLCs submissions:
 - **October 29, 2021** for all first quarter PLCs
 - **January 28, 2022** for all second quarter PLCs
 - **April 1, 2022** for quarter three and four PLCs
- When attending any district-provided PL session, regardless of location, all educators must make childcare arrangements away from the session site. **No children will be allowed at any SCS district-led PL.**
- Educators must attend the entire session to receive any PL credit. **No PL credit will be given for arriving late, leaving early, or partial attendance in any capacity of a PL session.**
- **PL Plan Alternative Trainings:**
 - o **Substitutions may not be authorized for Board Required Days July 28, July 29, and November 1, 2021 at the building level.** In the case of a rare, extenuating circumstance where a substitution might be considered for Board Required Days, contact Dr. Jeff Yawn, *Professional Growth Supervisor*, prior to the Board Required date or within two weeks of the missed date in the case of an unforeseen emergency. If approved, a PL Plan Alternative Training for a Board Required Day will be sent directly from the Teacher Center.
 - o All PL trainings outside the district required pre-approval from the teacher's Principal and the SCS *Supervisor of Professional Growth*. A PL Plan Alternative Training must be submitted prior to the training event. Substitutions can only apply to ***Required Principal-Discretion Days #4 and/or #5***. All documentation,

including a copy of the original substitution form for proof of attendance, should be submitted to the Teacher Center within two weeks after the event. Substitution forms can be located on the Teacher Center website or the following link: [update!](#)

- o All trainings not listed in the school PL plan for 2021-22 for **Required Principal-Discretion Days 4 and/or 5** must submit a PL Plan Alternative Training Form. PL Plan Alternative Training forms can be located on the Teacher Center website or the following link: [PL Plan Alternative Training Form](https://sumnerschools.org/images/Teacher_Center/2021/2021-2022_SCS_Substitution_Form.pdf) (https://sumnerschools.org/images/Teacher_Center/2021/2021-2022_SCS_Substitution_Form.pdf)

- Utilizing the book's contents, responses and prompts should:
 - o be detailed and observable

- All book studies will be ongoing over the course of multiple meetings or discussion posts and responses
- There is a cap of six professional Learning (PL) hours per school year for book study participation
- Only full credit for the completion of the entire book study will be given
- Additional PL hours or extended contract hours can be earned for facilitating a book study (contact the Teacher Center for specific details)
- Require principal approval for principal-discretion days (Required PL Days 4 or 5)
- Book studies are completed, and all paperwork is submitted to the Teacher Center on or before **March 15**
