

Summer Scholars Program

June 7th through July 1st

Students Currently in Grades K-7

Due to COVID-19, there have been significant disruptions to the learning experiences for students. Students have been quarantined, teachers have been quarantined, and students have cycled through hybrid and virtual schedules.

In an effort to support all students' academic success, Sumner County Schools is partnering with the Tennessee Department of Education to offer the Summer Scholars Program, a program created for Sumner County students, taught by our teachers, using our curriculum.

The Summer Scholars Program will be:

- Open for current Kindergarten–7th graders
- Be offered 4 days a week for 7 hours a day: 8:00–3:00

And will include:

- Potential for Friday and/or before and after care
- Daily instruction:
 - Math, ELA, PE, Science, STEM, and 'for fun' activities
- Breakfast, lunch, and snacks
