

ADDENDUM
20150609 SCHOOL BUS

The following is an Addendum to the Sumner County Board of Education bid request for 20150609 School Bus. The information in this addendum supersedes or replaces the information in the previous specifications.

1. All lights excluding Head Lights are to be LED lights. This addendum is an explanation of what type of lights in the Body section of the Bus specifications on both the 84 passenger and 66 passenger bus.

2. The first 2 seats (4 seats total) on the passenger and driver side of the 66 passenger bus should be equipped with the Safeguard Integrated Safety Seats. This addendum replaces and/or supersedes the Seat/ Additional Specification on page 3 of the 66 passenger bus specifications and gives explanation.

3. An Allison 2500 Series 5 speed, transynd fluid & fuel sense Transmission may be used in place of the 3000 series as noted in the specifications under Chassis for both the 84 passenger and 66 passenger buses.
