

## **Request for Proposals for Auction Services**

### **Questions Received**

#### **1. Do you have an inventory list of the property?**

There are approximately 1,500 personal property items from the historic Bridal House in Cottontown, Tennessee. Some of these items to be auctioned are of a historical nature. An inventory list of the property will be made available to the chosen auction firm. This list will be made available following the RFP process.

#### **2. Is it possible to set a time to view the items?**

The County will work with the chosen auction firm to establish a time for the firm to view items to be auctioned. This will be coordinated following the RFP process.

#### **3. Will it be possible for a live auction to be conducted on the site or do the items have to be moved?**

It is preferable to hold the live auction on the site, however the County also seeks an auction firm that has the ability to conduct online auctions in conjunction with a live auction.

#### **4. What Bridal House items are to be sold at auction?**

Listed below is a tentative listing of items to be sold at auction (please note, this is a generalized listing):
