Time is stockpiled as per state law to allow for up to 13 days of school being missed due to "dangerous or extreme weather conditions" or "upon approval by the [SDE] Commissioner . . . in case of natural disaster, serious outbreaks of illness affecting or endangering students or staff, or dangerous structural or environmental conditions rendering a school unsafe for use." Days stockpiled in this manner are NOT subject to being "taken off" if not used in a school year. [TCA 49-6-3004].
