Time is stockpiled as per state law to allow for up to thirteen days of school being missed due to "dangerous or extreme weather conditions" or "upon approval by the [SDE] Commissioner . . . in case of natural disaster, serious outbreaks of illness affecting or endangering students or staff, or dangerous structural or environmental conditions rendering a school unsafe for use." Days stockpiled in this manner are NOT subject to being "taken off" if not used in a school year. [TCA 49-6-3004]

One of these days is used in this calendar: **02/21/2017--Parent Conference day**. There are **12** available days remaining, and this day is available to be converted to a regular instruction day upon discretion of the School Board.

State law (Tennessee Code Annotated--TCA) requires 10 administrative & in-service days [also referred to as Professional Development Days]. At least 5 of these days must be used for in-service, and 1 administrative day must be a Parent Conference day.

This calendar schedules four [4] administrative days in addition to one [1] Parent Conference day, and five [5] allowable in-service days.
