RE: Interim principal named at Gene Brown Elementary

Dr. Del Phillips, Sumner County Director of Schools, is pleased to announce he has named Keith Parrack as interim principal at Gene Brown Elementary.

Mr. Parrack holds a master's degree in educational administration from Tennessee State University. He has served the past five years as the ELL administrator for Sumner County Schools and is excited to now have the opportunity to lead the school community at Gene Brown Elementary.

"As the supervisor of the district ELL program, I have worked with Gene Brown Elementary for the past five years and I know the quality of the school staff and its community," he said. "I look forward to working with all of them to support our students and our community."

Dr. Phillips said Mr. Parrack has done superior work for the district while serving as ELL administrator.

"Mr. Parrack has shown himself to be an administrator that cares deeply about his students and teachers," Dr. Phillips said. "He has worked very hard to build up the district's ELL program and I am sure he will bring that same passion and commitment to Gene Brown."
