

To Whom It May Concern

On Tuesday 8/6/19 Sumner County Schools opened bids for Transmission Fluid for the school bus garage. The low bid was from Clark Power Services for \$7088.64 for a 275-gallon tote. This price is good for one year. I recommend that Sumner County Schools go with this bid.

Kevin Kepley

Fleet Operations Manager

8/7/19

A handwritten signature in black ink that reads "Kevin Kepley". The signature is written in a cursive style with a large, sweeping initial 'K'.
