The articles on which the proposal is submitted must be equal or superior to that specified. No proposals shall be altered, amended or withdrawn after opening. After proposal opening, a proposer may withdraw a proposal only when there is obvious clerical error such as a misplaced decimal point, or when enforcement of the proposal would impose unconscionable hardship due to an error in the proposal resulting in a quotation substantially below the other proposals received. Proposal withdrawals will be considered only upon written request of the proposer.
