Comparable products of other manufacturers will be considered if proof of compatibility is contained in the proposal. The articles on which the proposal is submitted must be equal or superior to that specified. No proposals shall be altered, amended or withdrawn after opening. After proposal opening, a proposer may withdraw a proposal only when there is obvious clerical error such as a misplaced decimal point, or when enforcement of the proposal would impose unconscionable hardship due to an error in the proposal resulting in a quotation substantially below the other proposals received. Proposal withdrawals will be considered only upon written request of the proposer.
