**PREPARATION AND SUBMISSION OF BID**

1. Failure to examine any drawings, specifications, or instructions will be at the Bidder/Proposer's risk. Any deviation from the stated terms, conditions and specifications must be coordinated with and approved in writing by the SCS Purchasing Supervisor.
2. RFB/RFP/ITB SUBMITTAL / SIGNATURE: Submittal shall give the full name and business address of the Bidder/Proposer. If the Bidder/Proposer is a corporation, the name shall be stated as it is in the corporate charter. Submittals must be signed in ink by the Bidder/Proposer authorized agent. Unsigned submittals will be rejected. Submittals are to be sealed and the outside of the envelope is to reference the RFB/RFP/ITB number. The person signing the submittal must show their title, and if requested by the institution, must furnish satisfactory proof of his or her authority to bind his or her company in contract. The Bidder/Proposer understands that by submission with an authorized signature, it shall constitute an offer to SCS. Submissions must be typewritten or in ink; otherwise they may not be considered. Purchase orders will be issued to the firm name appearing on the W9. Electronic submissions via email, fax, etc. shall not be accepted.
3. SCS is not responsible for any costs incurred by any Bidder/Proposer pursuant to the RFB/RFP/ITB. The Bidder/Proposer shall be responsible for all costs incurred in connection with the preparation and submission of its proposal.
4. All Bidder/Proposers must be in compliance with [T.C.A. § 62-6-119](#) at the time of submission and provide evidence of compliance with the applicable provisions of the chapter before such submission may be considered.
5. Submissions are to be received in the location designated in the RFB/RFP/ITB no later than the specified date and time. Late submissions will NOT be opened or considered.
6. No erasures permitted. Errors may be crossed out and corrections printed in ink or typewritten adjacent to error and must be initialed in ink by person signing the submission.
7. Specifications: Reference to available specifications shall be sufficient to make the terms of the specifications binding on the Bidder/Proposer. The use of the name of a manufacturer, or any special brand or make in describing an item does not restrict the Bidder/Proposer to that manufacturer or specific article, unless specifically stated. Comparable products of other manufacturers will be considered if proof of compatibility is contained in the submission. Bidder/Proposers are required to notify SCSs Purchasing Supervisor whenever specifications/procedures are not perceived to be fair and open. The articles on which the submission is submitted must be equal or superior to that specified. Informative and Descriptive Literature: The Bidder/Proposer must show brand or trade names of the articles proposed, when applicable. It shall be the responsibility of the Bidder/Proposer, including the Bidder/Proposers whose product is referenced; to furnish with the submission such specifications, catalog pages, brochures or other data as will provide an adequate basis for determining the quality and functional capabilities of the product offered. Failure to provide this data may be considered valid justification for rejection of the Bidder/Proposer.
8. Samples: Samples of items when called for, must be furnished free of expense, and if not destroyed will, upon Bidder/Proposer request within ten (10) days of RFB/RFP/ITB opening, be returned at the Bidder/Proposers expense. Each sample must be labeled with the interested parties' name, manufacturer's brand name and number, RFB/RFP/ITB number and item reference.
9. Time of Performance: The number of calendar days in which delivery is to be made after receipt of order shall be stated in the RFB/RFP/ITB and may be a factor in making an award, price notwithstanding. If no delivery time is stated in the bid, the Bidder/Proposer agrees that delivery is to be made within two weeks (10 business days) of order.
10. Transportation and delivery charges should be included in the price and be fully prepaid by the vendor to the destination specified in the RFB/RFP/ITB. Submission prices shall include delivery of all items F.O.B. destination.
11. New materials and supplies must be delivered unless otherwise specifically stated in the RFB/RFP/ITB.
12. Alternate/multiple bids will not be considered unless specifically called for in the RFB/RFP/ITB.
13. Only proposals submitted on RFB/RFP/ITB forms furnished by SCS will be considered.
14. By signing this RFB/RFP/ITB where indicated, Bidder/Proposer agrees to strictly abide by all applicable local, state and federal statutes and regulations. The Bidder/Proposer further certifies that this submission is made without collusion or fraud.
15. Error in Submission. In case of error in the extension of prices in the submission, the unit price will govern. Late submissions will NOT be opened or considered. Bidder/Proposer are cautioned to verify their submission, as amendments received after the RFB/RFP/ITB deadline will not be considered. No submission shall be altered, amended or withdrawn after opening. After submission opening, a Bidder/Proposer may withdraw a submission only when there is obvious clerical error such as a misplaced decimal point, or when enforcement of the submission would impose unconscionable hardship due to an error in the submission resulting in a quotation substantially below the other submissions received. Submission withdrawals will be considered only upon written request of the Bidder/Proposer.

**OPEN RECORDS**

In order to comply with the provisions of the [Tennessee Open Records Act](#), all submissions will be publicly opened and are subject to public inspection after the award upon written request.
