Tunnel #3

A photograph showing a concrete tunnel or walkway located underneath a set of bleachers. The structure is supported by several vertical green metal posts. The ground is concrete, and there is a small puddle of water in the distance. In the background, a red and yellow structure is visible through the opening of the tunnel. The text "Tunnel #1" is overlaid in yellow at the bottom of the image.

Tunnel #1

A narrow concrete walkway leads through a green metal structure with yellow and green panels. The walkway is flanked by green metal beams and leads to a colorful tunnel entrance. The tunnel has yellow, green, and red sections. A blue tarp is draped over the entrance. The ground is gravel.
