Help Sumner County Schools reach the goal of 800 filled backpacks to give to homeless and needy students at the start of next school year. Every backpack given to a child through Operation Backpack is filled with supplies according to the child's grade.

Consider donating a filled backpack or two. If you have children of your own, consider engaging them in the process. Choose a grade, and fill a backpack! Be sure to label it with the appropriate grade. If you are missing any supplies, please note that on the label so we can add them.

If you would like to organize an Operation Backpack drive - at your company, club, camp, school, or place of worship, please contact us. To learn more, contact Marijo Monette at marijo.monette@sumnerschools.org or 615-451-6367

We are always short on certain supplies, and would particularly appreciate donations of Texas Instrument 30x calculators, USBs, paper, and subject dividers.
